REPORT OF INTERNSHIP TRAINING

16.08.2023

Title of Internship Training : A Detailed Study of Boiler Auxiliaries Working Operations

Date : 28th June 2023 to 26th July 2023

Student Name : Shankar C (III Year)

Venue : Bharat Heavy Electricals Limited (BHEL), Ranipet

Topics Covered:

Sl. No.	Topic Covered
1	INTRODUCTION ABOUT BHEL
2	BOILER AUXILIARIES PLANT
3	WORKING OF THERMAL POWER PLANT
4	AIR PREHEATERS
5	FANS
6	ELECTROSTATIC PRECIPITATOR(ESP)
7	GATES AND DAMPERS
8	FLUE GAS DESULPHURIZATION(FGD)
9	VERTICAL BORING MACHNE (VBM) (BV40)
10	HEAVY DUTY CNC LATHE MACHINE (B/800 4G CNC)
11	NON-DESTRUCTIVE TESTING(NDT)
12	ABOUT BHEL MAINTENANCE
13	HORIZONDAL BORING MACHINE
14	HORIZONDAL GRINDING MACHINE

INDUSTRIAL VISIT TO IIT RESEARCH PARK

Post-Event Report

The Department of Electronics and Communication Engineering organizes a Industrial Visit to IIT RESEARCH PARK for UG – B.E ECE (III Year and IV Year) Students on 03.02.2024 through Physical mode.

1. Industrial visit is to provide students with an insight into the corporate world.
2. The main objective of industrial visit was to bridge the gap between classroom teaching and practical working environment and to bring in some positive intangible changes to the personalities of students.

The IIT Madras Research Park facilitates the promotion of research and development by the institute in partnership with industry, assisting in the growth of new ventures, and promoting economic development.

IIT Madras Research Park endeavour to enable companies with a research focus to set up a base in the Park and leverage the expertise of IIT Madras. It is modeled the lines of successful Research Parks such as Stanford, MIT and Harvard. These technology parks have been known to add value and impetus to industry and business enterprises.

This visit will give delegates a tour of the facilities and an opportunity to understand how this innovative facility is contributing to economic development in India.

MEMORANDUM OF UNDERSTANDING
BETWEEN

Adhiparasakthi College of Engineering
AND
iSTEP

High Achievers' Program

This Memorandum of Understanding (hereinafter referred to as the "MOU") is made and entered on the 20.04.2024 (hereinafter referred to as the "Effective Date") by and between:

Mr. Nikhil Malhotra (Director) of iSTEP Mentors Private Limited, with its registered office at 103, Chiranjiv Tower, 43, Nehru Place, New Delhi 110019 India, (hereinafter referred to as "Party A"); and

Dr.S. MOHANA MURUGAN (Principal) of Adhiparasakthi College of Engineering with its registered office at G.B. Nagar, Kalavai Ranipet District Tamil Nadu 632506, hereinafter referred to as "Party B").

Parties may be referred to individually as "Party" and collectively as "Parties".

Recitals

WHEREAS, Party A is an EdTech Platform engaged in the business of building networking connections among international universities and Indian Institutes of higher education.

WHEREAS, Party A is an official representative of a number of international universities in India.

WHEREAS, Party A has developed a mobile application (hereinafter referred to as the "iSTEP Mentors App" or the "App") that delivers online educational sessions by prominent academics from universities highlighting advancements in research or development in a topic of general interest (hereinafter referred to as the "iSTEP Masterclass" or "Masterclass").

WHEREAS, the main objective of Party A in developing the App is to give Indian students reliable knowledge about a topic of study that would also help them in choosing a career.

WHEREAS, Party B is a recognised college (Adhiparasakthi College of Engineering) Affiliated to recognised Anna university, offering undergraduate/ postgraduate/ professional degree programs to their students].

ADHIPARASAKTHI COLLEGE OF ENGINEERING G.B. Nagar, Kalavai - 632 506, Ranipet District.

PRINCIPAL
Adhiparasakthi College of Engineering
G.B. Nagar, Kalavai - 632 506.
Ranipet District, Tamil Nadu.

WHEREAS, Party A has approached Party B to make the App available to Party B's students to allow them to access the Masterclasses available on the iSTEP Mentors App.

WHEREAS, Party B desires to conduct the Masterclasses for its students by making the App available to its students.

Now, therefore, the Parties agree to the following terms and conditions:

1. Purpose and Objectives: The purpose of this MOU is to outline the terms and conditions under which students studying with Party B [the "Students"] can access a range of Masterclasses available on the iSTEP Mentors App developed by Party A. After the Masterclass, the Students will have the opportunity to attempt an assessment test. Students who successfully complete the assessment will be eligible for a jointly issued digital certificate free of cost.

2. Roles & Responsibilities: To achieve the Purpose and Objectives mutually agreed upon above, the Parties agree to undertake the following:

1.Party A will ensure that a number of Masterclasses from across domains such as science, technology, management and business are available for Students on the iSTEP platform.
2.Party A will ensure that Party B's designated personnel are provided training on the usage, features & functionalities of the App, including how to schedule a Masterclass and how to share the Masterclass link with their Students.
3.Party A will offer technical support for all scheduled Masterclasses as required.
4.Party A will extend invitations to Party B for all upcoming Educator's events being organised in collaboration with international universities.
5.Party B will ensure that its teachers, counsellors and other designated employees will undergo the training organised by Party A & understand the usage of the App.
6.Party B will not charge Students for attending any MasterClasses on the App.
7.Party B will refrain from using logos of the universities for any purpose.
8.Party B will only use the approved posters and marketing material available on the App to promote any Masterclass scheduled by them.

The Parties agree to uphold their Roles and Responsibilities in good faith to the extent possible. The Parties agree to collaborate and communicate on a regular basis to ensure the smooth conduct of the Masterclasses for Students.

3. Scope: Upon signing this MOU, Party B faculty members will gain access to the iSTEP Mentors App, allowing them to schedule and share relevant Masterclasses for their students free of cost, as many times as required. Party B students can attend these Masterclasses and participate in assessments, receiving digital certificates at no charge.

4. Duration: The MOU remains valid for a duration of one year from the signing date. Either party can terminate it with one month's written notice to the other Party, ensuring minimal disruption to registered students for upcoming Masterclasses already scheduled by Party B.

5. Resources: Each Party agrees to assign the required level of human resources to ensure smooth scheduling, planning & conduct of the Masterclasses for Students. Each Party will assign a single point of contact to coordinate with the other Party on matters related to Masterclasses.

6. Amendments: Any changes to the MOU can only be made with the express written consent of both parties. The parties agree to engage in good-faith negotiations before making any changes to the MOU. Any changes as mutually agreed by the parties must be made in writing and signed by both parties to be effective.

7. Confidentiality: The parties agree that without the prior written consent of the other Party, which may be withheld in such Party's sole discretion, neither Party shall disclose any provision of this MOU to any third party (subject to the other terms set forth herein).

Each Party agrees that the terms and conditions of this MOU will be treated as the other Party's Confidential Information and that no reference to the terms and conditions of this Agreement or activities pertaining thereto may be made in any form of a press release or public statement without first consulting with the other Party; provided, however, that each Party may disclose the terms and conditions of this Agreement to law enforcement authorities as may be required by law; or in confidence, in connection with the enforcement of this Agreement or rights under this Agreement to their respective employees.

Party A agrees that any information and data regarding Party B's students that may be uploaded on the App is to be treated as confidential and will not be disclosed to any unrelated third party, except that the information and data regarding Students registering for and attending a Masterclass by a particular University may be shared with that University for their reports, issuance of certificates and other related purposes.

Party B agrees that the iSTEP Mentors App and the Masterclasses available on the App are proprietary and their copyrights rest with the respective owners, which may be Party A or the universities.

8. Dispute Resolution: All disputes arising out of or relating to the provisions of this MOU will be amicably settled and resolved by the Parties through discussions and negotiations. If the parties are unable to reach an amicable settlement to a dispute, they may appoint a mutually acceptable mediator to resolve the dispute. If a dispute is unresolved even after mediation, the parties may decide to terminate the MOU as per the terms outlined in this MOU.

9. Governing Law & Jurisdiction: This MOU will be governed by the laws of India, and courts in Delhi will have full and complete jurisdiction in the matters pertaining to the MOU.

10. Communication: Both parties agree that email will be a convenient and acceptable form of communication while operationalising the matters contained in this MOU. The first point of contact for each Party regarding all such email communications is as follows:
